## Lambton Public Health COVID-19 Mandatory Training for Child Care Staff

As part of the Ministry of Education's Child Care Reopening Guidelines, Lambton Public Health must ensure that training is provided to all child care staff/providers on health and safety measures prior to reopening.

Public Health Ontario and Lambton Public Health have developed videos to assist with understanding our role in stopping the spread of COVID-19 in our community. Links to important information are provided below and all child care staff/providers must complete this training prior to reopening.
