

# COVID-19

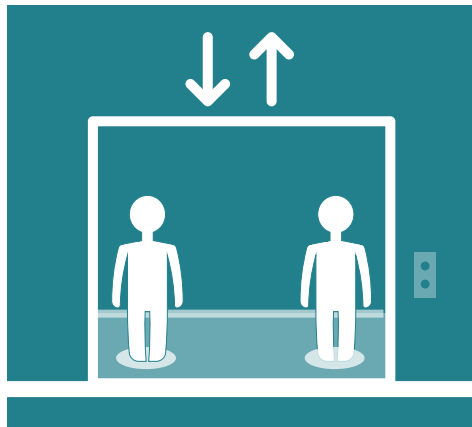

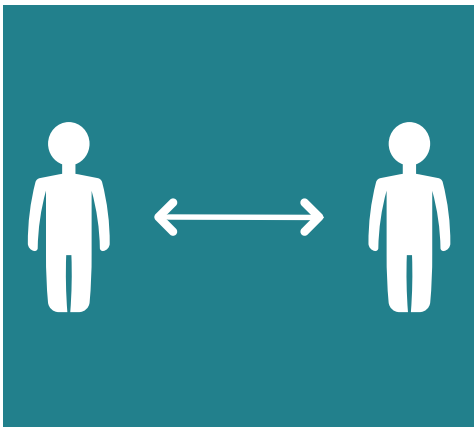

## Physical Distancing on Elevators

Help prevent the spread of germs and protect yourself from COVID-19 and other respiratory viruses.

2 metres  
6 feet

Maintain safe  
distancing on  
elevators.

Avoid touching  
surfaces directly

- Keep 6 feet or 2 metres apart from others.
- Limit 2 people per elevator.
- Avoid direct contact with high-touch surfaces, such as elevator buttons and handrails; wash or disinfect your hands before entering and after leaving the elevator.
- Wear a mask/face covering in all indoor public spaces and when physical distancing is not possible.
