This document is mainly intended for immunization service providers and should be used with other immunization information to support vaccination for specific individuals.

It is not intended to provide or take the place of medical advice, diagnosis, or treatment.

It is the responsibility of the administering clinician to refer to Ontario's Publicly Funded Immunization Schedules to verify age, eligibility, and intervals of all recommended vaccines.

Vaccine doses and intervals will depend on the vaccine type and brand and may differ from the information provided in this document.

Remind parents and guardians to report or view vaccines by visiting www.GetTheVaccine.ca
